

Scout Sunday 2025 will take place on **February 2nd, 2025**. Scout Sunday is a day to reaffirm Scouting's commitment to doing our duty to God, and to our commitment to service in the community. Scout Sunday is traditionally held on the Sunday before February 8th, which is the anniversary of the Scouting program. Units can participate in Scout Sunday on any Sunday, and are encouraged to participate with either their chartering organization, or with another local religious organization.

Options for scouts to participate:

- Attend a worship service in full scout uniform
- Leading Prayers, Readings, or Songs as a part of the worship service.
- Present religious emblem awards to Scouts during the service.
- Participate in a service project for your chartering organization or for another religious organization.
